Understanding Your Grant Award

When accepting the award, it is imperative that Sub-recipients read and understand the grant requirements outlined in the **Standard Terms and Conditions** and any additional terms and conditions of the award based on the requirements of the funding.

All revisions and/or modifications to the original NOGA must be fully executed in the Enterprise Grants Management System (EGMS).

Assurance Requirements

Prior to signing the Grant Agreement, the Sub-recipient **shall have and maintain up-to-date documentation** of complete and current certifications and assurances on file with DC Health in EGMS as follows :

Pre-Award Assurances

Current Business License

Certificate of Clean Hands from DC Office of Tax and Revenue – (dated **no less than** 60 calendar days from date of the application submission)

501(c)3 certification for Non-Profit Organizations

List of Current Board of Directors on letterhead, signed and dated by the authorized representative

Insurance Policies – including a minimum of \$10M in Commercial Umbrella or Excess Liability and a minimum of \$2M in Cyber Liability Insurance

Post Award Assurances (HAHSTARFAs@dc.gov)

Certificate of Occupancy

Invoicing

Invoicing Requirements

- The invoice process is completed in a two-step process that uses EGMS and the DC Vendor Portal
- Step 1.
- Sub-recipient submits invoice cover sheet with the minimal required supporting documentation (*general ledger, financial report for each service category, signed timesheets, payroll register, and progress report*) by the **10th business day** after the end of each month in EGMS. The GMS may request additional documentation, such as consultant invoices, if necessary.
- Once the invoice has been fully approved in EGMS, the system will generate a *Payment Authorization Notice (PAN)* that is sent via email to the *Primary* Sub-recipient representative.
- Step 2.
- The Sub-recipient has three (3) **business days** within receipt of the PAN, to submit the payment request into the DC Vendor Portal.

Late Invoicing

Submissions in EGMS

If the invoice is not received by close of business on the 10th business day, on the 11th business day the Grants Management Specialist (GMS) shall send an email reminder. After the 3rd late notice, a formal DC Health Notification of Non-Compliance from the Office of Grants Management (OGM) will be issued. OGM will assign a high-risk rating to all grants issued and/or pending. The Sub-recipient must submit an agency-level corrective action plan to OGM within 7-business days. If not submitted on-time or at all, OGM will initiate a change in the grant status (e.g. award reduction, stop work order, or termination).

Submissions in DC Vendor Portal

If the invoice is not received in the DC Vendor Portal by close of business on the 3rd business day, a late invoice reminder will be sent to the Sub-recipient by the GMS on the 4th business day. If the invoice has not been received according to the dates noted in the late notice reminder, the GMS shall follow up with an email. If the invoice has not been submitted, a Remediation/Corrective Action Plan (CAP) may be implemented in accordance with Remediation/CAP guidance.

Understanding Your Purchase Orders

Purchase orders are set up according to the grant award as follows:

Part A Regular Direct	\$ 101,629.00
Part A MAI Direct	\$ 75,758.00
Part A Regular Adm.	\$ 10,163.00
Part A MAI Adm.	\$ 75,76.00
Total	\$ 195,126.00

Submitting Expenditures on the Appropriate Line

The Sub-recipient is responsible for ensuring that the correct expenditures are invoiced on the appropriate line item. Please work with your assigned GMS if there are any discrepancies.
