

# Performance Measure Summary Report

Agency Name	_____
Quarter (e.g., Q1, Q2, etc.)	_____
Date	_____

Instructions:

1. List ALL performance measures in your Quality Management Plan Performance Measure Portfolio by funded service category in the table below.
2. For baseline and quarterly data, include overall data and any stratification you can provide.
3. The red text in the table is just an example and can be deleted.

Funded Service Category	Performance Measure	Baseline	Q1	Q2	Q3	Q4	Target
Ex: Medical Case Management	Ex: Viral Load Suppression	Ex: X% overall • By gender • By age • Etc.	Ex: X% overall • By gender • By age • Etc.				

Analysis:

1. Narrative, where possible:
  - a. Please explain how data was collected.
  - b. Tell us the story of what your data shows. Please explain the changes, including direction of change. For example, state if the percentage has gone up or down; if data for a measure has improved, please explain how/why, if possible; if data for a measure has not changed, or if it has become worse, please explain how/why (if possible).
2. Include data visualization if possible.
