

**Performance Measures Portfolio**

<b>Funded service category</b>  <i>(list of all RWHAP funded service categories)</i>	<b>Client services utilization data</b>  <i>(expressed as a percentage)</i>	<b>Performance measure(s)</b>  <i>(list the measures selected for each service category)</i>	<b>Numerator</b>  <i>(list how each measure's numerator is defined)</i>	<b>Denominator</b>  <i>(list how each measure's denominator is defined)</i>	<b>Baseline Data</b>  <i>(data point at end of previous grant year/start of current grant year)</i>	<b>Data source(s)</b>  <i>(What is the primary source for data? What data management system stores the data? How does the recipient access needed data?)</i>	<b>Frequency of data collection</b>  <i>(How often is CQM data collected? What are the measurement periods?)</i>	<b>Method of data collection</b>  <i>(How is subrecipient provided data received? Does the recipient aggregates data? How are data reports managed?)</i>	<b>Method to analyze data</b>  <i>(How is data integrity validated? Who is responsible for data analysis? Is the data stratified? How?)</i>	<b>Method for sharing data</b>  <i>(How is data shared? When? With whom?)</i>
